

Cheang Wai Hoe

Undergraduate Student

About

I am a Computer Science undergraduate in my second year of academic study. My academic pursuits are complemented by my keen interest in coding and interface design, and I am constantly striving and eagle to learn to expand my knowledge and skill set in these domains. I aspire to leverage my expertise and knowledge to create innovative solutions for societal issues, and generate substantial value for the community.

Academic Experiences

Workplace Experience Sharing | Talk 2023

- Inviting an alumni who are working in the industry to share their own working experiences.
- Person in charge of the speaker.

JKLM Boom Party | Game Competition 2022

- Game competition in co-curriculum module for all APU students.
- Assigned as one of the moderators and hosts of the competition.
- Assigned as one of the marketing team member to promote the event and reach a wider audience using social media.

Education History

BSc (Hons) in Computer Science | Asia Pacific University of Technology & Innovation 2021 - Present

- GPA: 3.55 / CGPA: 3.61
- Google Developer Student Club (GDSC) member
- APU Malaysian Scholarships & Merit Awards 2021

UEC | Shen Jai High School 2015 - 2020

- Unified Examination Certificate (UEC)

To Whom It May Concern

RE: CHEANG WAI HOE (TP064280) – INTERNSHIP PROGRAMME

With reference to the above, we are pleased to confirm that **CHEANG WAI HOE** is a student of the Asia Pacific University of Technology & Innovation (APU), attending the **BSc (Hons) in Computer Science** programme at our campus in Technology Park Malaysia, Bukit Jalil.

Students are encouraged to attend internship programmes to expose themselves to the processes and practices within typical business environments, these exposures will certainly benefit the students in meeting the programme outcomes.

As such, we support **CHEANG WAI HOE's** request for the opportunity to carry out the internship with your esteemed organization. **CHEANG WAI HOE** is expected to undergo this internship programme from **07 August 2023 – 24 November 2023**. For our foreign students, this is subject to student visa renewal by Education Malaysia Global Services (EMGS) as per Immigration requirements.

Meanwhile, should you require any other information on the services provided by APU Careers Centre (on-campus career presentations, graduate recruitment, industrial training, part-time vacancies, career fairs, on-line job vacancy advertising), please do not hesitate to contact us at 603-8949 6000. Alternatively, you could directly e-mail to talent@apu.edu.my. We would be happy to meet you for a discussion should you require any further clarifications and look forward to your positive response.

Thank you.

Yours sincerely,

Kau Guan Kiat
Internship Coordinator, School of Computing & Technology
Asia Pacific University of Technology & Innovation
